Merry Christmas

Winter 2009

To All Our Faithful Partners,

Christmas is one of the most joyful times of the year; it is a time when God wants to communicate his personal love to you and me. One night 2000 years ago the Shepherds who were watching over their flock, received word of good cheer, glad tidings, and eternal hope. Today this message of hope is more important than at any other time. With the year coming to a close and it being a year of changes for many of us, I want to thank you so much, for being faithful and loyal to this Ministry during these tough economic times. Because of your loyalty and commitment; we were able to touch so many lives and make a difference.

I find great solace in knowing that Rebirth International Ministries is there to comfort those affected by poverty, disaster and sickness. It is an awesome feeling knowing that we have made a significant difference in the lives of children in Peru, Bolivia, Zambia, Malawi and India; we gave them a place of refuge, food to survive, and hope for tomorrow.

On behalf of Rebirth Ministries, and all the children, we thank you again for your generosity.

May God Bless You and your family abundantly this coming year!

Merry Christmas and Happy New Year!

Remember
Christ, Our Savior,
was born on Christmas day

So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver. And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work. 2Corinthians 7:8

Dear Rev Dr. Brygitte,

We would like to thank the lord for bringing us this far. During such a season there is one important thing that we always reflect upon. The love of our Lord JESUS who came to be born in this world to reconcile us with our Father. His willingness to be born in a manger is a clear testimony of his love for us. Our ministry Live Word has enjoyed this love that has been shared in our lives through Rebirth ministries International.

Your tireless effort to seek needy African children and support them despite the economic turn down is a clear testimony of His love. more than three hundred children have received your love through financial support. Some children who didn't have clothes through your support were able to have some clothes. Some of them that went home and slept hungry because there was nothing at home received some food. We surely believe there are wonderful brothers and sisters that are standing with you in this ministry and are looking forward to seeing the fulfilment of the wonderful vision to reach out unto the unreached in society like ours to bring a new birth. We remember them in our prayers too. Our God will always remember them. We pray for them that our God may renew their strength and raise their resources that the name of our lord be glorified. Live Word Ministry and the board of mangement... WISH YOU A HAPPY CHISTMAS AND PROSPEROUS NEW YEAR. happy holiday!

With love, Pastor Elias
