HE REMAINS FAITHFUL

By ReBirth Board of Directors

We are so eternally grateful to God for His faithfulness. His Word says that even when we are faithless, He remains faithful because it is in His very nature to be faithful (2 Timothy 2:13). Once again He has given us a year that profoundly witnessed His grace and mercy toward mankind. We saw many that were gripped by the hands of death snatched back to life again. We witnessed countless people in tremendous bondage set free by the amazing touch of our Savior. We were privileged to see the sick made well and the oppressed obtain joy. To you, our supporters, we say thank you. Thank you for hearing the voice of the Lord and obeying. Thank you for allowing us to

go in your stead and bring a message of hope to a lost and dying world. You were there! In spirit, you were there.

Through your obedience to God we fed the hungry, prayed for the sick, preached the Gospel and brought

medications to the terminally ill. In addition, we saw God's Hand of faithfulness as we heeded His call.

Truly in these last days we must work all the more to reach the lost. It is only because of His mercy and long suffering that Jesus does not yet return for His bride because He is not willing that any should perish (2 Peter 3:9). Therefore, may we be about our Father's business and work while it is yet day for night comes when no man will work (John 9:4).

I have just returned from Poland where I was blessed to minister in many local churches. In addition, I joined with **Brother B.H. Clendennen**, President and Founder of the **School of Christ International**. We are in the preliminary stages of

establishing the first School of Christ in Poland I recognize that if we can reach Poland with the Gospel of Jesus Christ, it will be an open door to all of Europe.

Some of you may remember Brother Clendennen when he came to New Jersey last year and ministered for a week at Chestnut Assembly of God. For those of you that were blessed to attend, I know you left those

services changed for the glory of God. The School of Christ has proven to be one of the most effective Missionary tools of all time.

Born in Russia in 1992, they now have schools making disciples of Jesus Christ in over one hundred and twenty countries. We are excited about being a part of seeing Poland won for Christ, and count it a privilege to labor for the Kingdom, with this great man of God.

The School of Christ is dedicated to equipping men and women of God for ministry, and teaching sound doctrine, and motivating individuals to become more and more like Christ.

HOME MISSIONS

Under the direction of **Dr. Lenore Hill**, of New Testament Cup International, (right) ReBirth reaches out to our local community with home missions. Dr. Hill assists the disabled, abused and handicapped in our community. We were privileged this year to assist Dr. Hill in purchasing robes for the youth choir, **New Testament Brilliant Lights**, as well as transportation to minister at local events.

We also continue our support with **Mission Teens** (left) in Norma New Jersey. This Christian based drug and alcohol rehabilitation center has been a tremendous asset to our community. Mission Teens is operated by **Tim and Marti Simonds**, under the direction of **Jim and Boydie Bracken**, founders.

Hunger for God in India

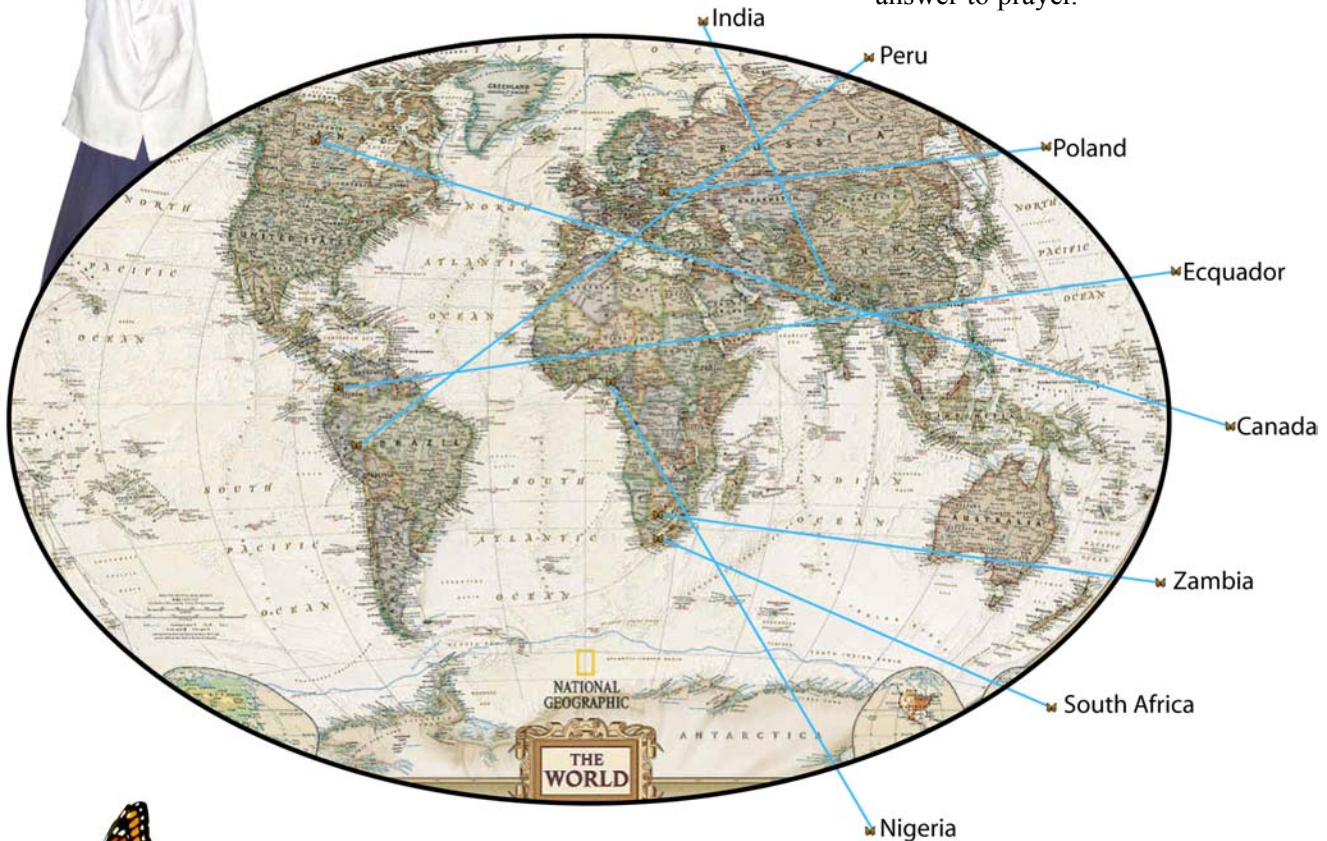

I was blessed this past winter to take with me seven missionaries to India where the Spirit of God moved mightily. The people of India are a very humble people. They have little in the way of possessions and yet they are thankful. They worship God with all their hearts. Some of the men lay prostrate on the dirt floor for hours crying out to God. ReBirth purchased and distributed 4,000 Bibles and supplied the funds for translating Bibles and concordance. We were blessed also to host a women's convention where we housed, fed and ministered to over 1,000 women and children. Many women in India live with physical and emotional abuse everyday. When they heard the Good News that God loved them so much He sent His son to rescue them and reconcile them back to Himself, they were truly touched. They received eagerly His

unconditional love. The Indian women were fascinated by the "ministry" of hugs. So hungry for affection and unconditional love, they lined up to receive a simple hug.

Tears came to the eyes of the missionaries as they administered their "ministry of hugs".

Bishop Peter from Zambia writes, "Your ministry is a blessing to the children of Africa. You have blessed them with food and necessities. One family hadn't eaten in 6 days and stated that the money you sent was an answer to prayer."

ReBirth's spiritual covering provided by **Pastors Gary & Faye Whetstone**, Gary Whetstone Worldwide Ministries.
