Just Returned from Nigeria

January 29-February 12, 2005

To God be all the glory and honor!
Our trip to Nigeria was life changing.
Truly God has done great things!
We saw hundreds come to know Jesus as Lord and Savior. The outpouring of God's love was tangible. The transformation that took place in the hearts of the Nigerian people was evident even in their physical appearance. We saw the oppressed set free and an indescribable joy overtake hearts.

Thanks to you, we were able to buy Bibles, feed and clothe the poor, as well as supply medication and medical care to the sick. You were there! I know you may not have been there physically, but you were truly there. If only I could convey to you how truly grateful the people of Nigeria are to you for your love.

While I was in Nigeria I checked on the progress of the building of the well we are funding in the lepers village. Progress is underway and soon the people in the leper's village will have water.

Thanks be to God for your faithfulness and I pray you are truly blessed with the awesome presence of the Lord.
